News and Updates

Ovostar Union received FSSC 22000 International Quality Certificate

According to the official information released by the company, Ovostar Union received FSSC 22000 Certificate, approved by GFSI (GlobalFoodSafetyInitiative), which allows certified companies to cooperate with other retail and food companies on the global scale. The main goal of the certification program is for the certified company to reach the global standards set by several major food companies and food distributors. Ovostar Union stated that the company is happy to provide its clients with the top-notch quality products.

UkrAgroConsult comment: We see this step as a major one for the company as quality recognition will allow Ovostar Union operate in EU region at larger scale, subsequently increasing volume of its exports sales by a significant amount.
