News and Updates

Ukrlandfarming will start construction of elevator and feed mill by the end of 2013

According to the official information released by Cherkassy Regional Administration, Ukrlandfarming is planning to start construction of feed mill in the region by the end of 2013 and will invest at least USD 150 million. At the same time company is aiming to invest UAH 3.5-4 billion in expanding elevator capacities of the holding.

UkrAgroConsult comment: Holding ownership also stated earlier that it will continue expanding its land bank to increase its production volume. Holding has been more vocal in 2013 in terms of connecting with public than ever before in the history of the holding, when not considering Avangard, which is a public company, within Ukrlandfarming.
