News and Updates

Ovostar Union increased capacity of egg complex

According to the official information released by the company, egg handling capacity was increased by 82% to 400 thousand eggs per hour. Modernization was attributed to launching new sorting line in one of the Kiev plants with total capacity of 180 thousand eggs. The modernization was carried out as a part of 2012-2013 investment program. Company will also launch slaughter facility of 4 thousand heads per hour full capacity. Company will spend USD 34.5 M by 2014 for increasing production capacities and modernization of the holding.

AgroInvest comment: *Ovostar Union was able to gain 67.18% in terms of capitalization for the past year, which is clearly reflecting recognition of its successful activities recently.*
